The Posh Boys' Brewery was set up by two friends, initially on a part-time basis, to produce beers in smaller quantities primarily for the take home market. This was prior to the opening of the Taproom in April 2019. Their first two beers were "The Bowlers Hat" and "The Blind Butler". Occasionally, beer festivals can be supplied, but brew-length tends to focus on supplying the Taproom in Wickford.

Southminster has good local services, including a selection of pubs where local ales can be enjoyed. St Leonard's Church was enlarged in the sixteenth century; it is an imposing, heavily built church in cruciform structure, with a small tower housing the only peal of eight bells in the Dengie Peninsula. The Reverend Dr Alexander Scott (Rector 1803-1840) was Chaplain and Private Secretary to Lord Nelson and cradled the dying Admiral at the Battle of Trafalgar.

Wibblers Brewery was established in 2007. Seasonal and special beers are brewed, including Crafty Stoat (5.3% ABV), which won the CAMRA Champion Stout of Britain award in 2015. The brewery also makes a large range of ciders. Bottle-conditioned beers and polypins can be purchased direct from the brewery, and growlers can be filled in the tap room.

· WIBBLERS BREWERY · TAPROOM & KITCHEN ·

5 MINUTES WALK

Turn right out of Southminster station and head for the countryside. You will soon come across the Wibblers Brewery Taproom and Kitchen. Adjacent to the restored medieval tithe barn housing the Wibblers brewery, this tap room stocks up to five real ales (and several craft keg beers and real ciders) produced "next door". The expanded bar is pleasantly furnished, with further seating available to the front of the building for those who enjoy their drinks al fresco in warmer weather. Meals are from locally-sourced products wherever possible.

CAMPAIGN
FOR
REAL ALE

What is CAMRA? The Campaign for Real Ale is an independent, voluntary organisation campaigning for real ale, community pubs and consumer rights.

Maldon & Dengie CAMRA is one of the smallest national branches; small we might be, but we pack a big punch! Our aim is to encourage our local breweries to supply good ale, for landlords to keep it and sell it that way and for pub-goers to make good use of their locals and drink fine ales and ciders.
